WELCOME

From everyone at BB we would like to welcome you to our 52nd annual bull sale. We couldn't be happier with how well these bulls have developed. We believe them to be as uniform and functional as we have produced to date. In our ever evolving industry, that requires a constant eye on our bottom lines, we develop these bulls to thrive in all environments. They are built for years of service that will add extra pounds on the scale and put females back into your programs that you can hang your hat on.

Thank you for your belief in our program we look forward to seeing you, our fellow friends and cattlemen, to discuss how we can help you meet your program's needs this year. If you cannot attend we would encourage you to watch and bid on the sale at liveauctions.tv.

Cattle are available for viewing anytime. If you have any questions please feel free to contact us. We value your business whether you need one bull or a truckload.

We hope to see you in February,
Norma, Joe, Leslie, Jay and Whitney

B0160 is a real herd bull prospect. I thought a lot about keeping him. He is great on his feet, strong bone, and travels out like a herd bull. This pedigree is filled with maternal excellence. His dam is a great example of how amazing the Pinstripe cows are, they are some of the best in our herd. This is one of the best Top Shelf bulls we have ever raised. A half brother to this bull was sold to Harder Ranch in our last year's sale. Selling Full Possession and 3/4 Semen Interest. Retaining 1/4 Semen Interest.

B0148 is a 375A grandson, he is a genetic powerhouse calf out of a first calf heifer. She is a great uddered cow, red eyed and red to the ground the kind you want to make a copy of. He is thick, with lots of muscle expression and deep sided. He would make a great herd bull prospect or would be an excellent addition to any commercial operation.

SAVANNAH & PEANUT BUTTER

Lot 67-103

These 2 year old bulls are some of the best we have had to offer. You will not be disappointed when you look thru this group of bulls. They are thick topped and deep bodied with loads of eye appeal. They will add dimension and scale to anyone's calf crop. These bulls will work in any condition and will hold up. They are good from top to bottom from the first bull to the last.

Another powerful Foundation son whose maternal grandmother is out of Missing Link, they are some of the easiest fleshing of the bred. This bull is full of muscle, with an exceptional top line and is massive bodied. His mother is a very maternal type of cow always producing an exceptional calf year after year. This is our one and only 2 year old Angus bull in the sale. We used him on our own first calf heifers. He is thick and massive bodied with very low birth weight. He has proven he is ready to go to work.
