WELCOME

We would like to welcome you to our 53rd annual bull sale on February 13th at the ranch in Connell, Washington. We are offering 108 Hereford and 35 Angus bulls in this year's sale.

We feel confident you will find the kind of quality and opportunities throughout this offering that are sure to add value to your program and bottom line. Our bulls have been bred and raised to add performance and efficiency in any commercial or seedstock operation in the country. These bulls are exceptionally stout, rugged and ready to perform. We feel quality seedstock is one of the best investments available. Due to rising input prices we have to maximize every dollar we spend. This puts more emphasis on genetic selection than ever before because average cattle eat the same amount as good ones.

To make sure our cattle perform in all segments of the industry we retain ownership of our steer calves and commercial heifers through harvest. They have performed exceptional in the feedyard and on the rail. They are grading over 98% Choice and Prime with 60% Yield Grade 1s and 2s.

Thank you for your belief in our program we look forward to seeing you, our fellow friends and cattlemen, to discuss how we can help you meet your program's needs this year. If you cannot attend we would encourage you to watch and bid on the sale at liveauctions.tv. Bull videos will be available on our website bbcattle.com.

We would like to invite you to look through a tremendous set of Hereford and Angus bulls, they are available for viewing anytime. If you have any questions please feel free to contact us. We value your business whether you need one bull or a truckload.

We hope to see you in February,
Norma, Joe, Leslie, Jay and Whitney
Jolene, Nick, Kasen and Reese
Traci, Manny, Natalie, Savannah and Kayla

**Please plan on joining us for our presale dinner on the evening of February 12th at the Ranch.

His dam is an 1108Y, they are the best uddered on the place. This is one of the best Top Shelf bulls we have ever raised.
