Welcome to our 2024 Bull Sale!

February 12, 2024 is a landmark day. On behalf of the Bennett family, we welcome all of our friends and family to our annual bull sale. Every year this sale is the culmination of our hard work, breeding strategy, and dedication to the important traits that we know set our bulls apart from the rest. Our repeat buyers prove that we produce tremendous quality with a uniform set of bulls. Black or red, these bulls are across the board uniform. Not only here on our ranch, but also down the line in what they will produce. Every year we feel that we are offering one of the best set of bulls anywhere in the country, that hasn't changed. The bulls we are offering not only have extreme eye appeal, they have the size, bone, depth, and flat out bull power that makes them worth the trip to come see. As we look across the industry, some of the breeding programs have changed to breed more moderate type cattle. Our bulls continue to look like bulls, breed like bulls, and produce calves that feedlots want to feed. We have not tried to cheat our customers out of the great quality that we are known for, nor have we changed fundamentally. We produce bull power. As always we have worked hard to bring the genetic quality that works for the purebred breeder and match that to the gain needed by the commercial breeder. With this set of bulls, you can't go wrong.

As always, our doors (and gates) are open, come and see these bulls for yourself! Norma Jean will have the coffee on and someone is here to show you the bulls. If you have any questions please feel free to contact us. We will have videos of all the bulls on our website bbcattle.com. If you are unable to attend the sale it will be broadcast live on Liveauctions.tv. If you have questions or need more information, just give us a call. We always offer a breeding guarantee and stand behind our cattle. We value your business and friendship and hope to continue to fill all your bull needs.

Please plan on joining us February 11th for a presale social and dinner at 5:30 pm at the ranch.

We hope to see you in February.

Lot 88-110 Here are some of the best two year old bulls that we have ever had. They are stout, rugged with great eye appeal, not many holes in this group of two year olds. There is a bull in this group to fit every-one's needs and they are ready to go to work.
