Welcome to Our 55th Annual Production Sale

On behalf of our family and crew, we would like to thank you for showing interest in our breeding program. We would like to take the opportunity to invite each of you to the ranch on February 10th, 2025 for our Annual Production Sale. We are very excited about the offering this year and what these bulls can do for your bottom line.

It has been our passion to raise high quality Hereford and Angus cattle that can grow, produce and thrive in any condition. We believe one of the biggest benefits our program has to offer is the predictability of our genetics. We work hard to offer you functional and practical bulls that will work for registered or commercial cattlemen alike.

These bulls are one of the most uniform set of bulls we have ever offered. They have eye appeal, bone, thickness and structure and are ready to go to work for you.

This year we are offering some of our Commercial Heifer's in the sale. This fancy set of replacement heifers will make a great addition to any cattle operation.

We are grateful to our longtime customers who continue to trust in us as their seedstock source. We are also grateful to those of you purchasing a bull for the first time for considering our program. We hope that whether you are a new buyer or a long standing one, you continue to see the rewards and benefits that come from integrating our genetics into your herd.

We look forward to visiting with you as you view the bulls on February 10th. If you can't attend please view our sale on Liveauctions.tv or make arrangements to be on the telephone. If you have any questions about the bulls or our program, please contact us and we will be happy to help in any way. Watch our website and facebook page for videos of all the bulls and heifers.

Please plan to join us on February 9th for a presale social and dinner at 5:30 pm at the ranch.

WE HOPE TO SEE YOU AT THE SALE!

Norma, Joe, Jay, Leslie, and Whitney
Jolene, Nick, Kasen, and Reese

An attractive Sitz Resilient grandson that is wide based, deep bodied and free moving. This bull really has a nice look to him and combines good growth with carcass merit, and cow power. This bull's maternal grandsire was a bull we bought from Vintage Ranch in California.

Phenotypically this stud could be one of the best Angus bulls that we have raised. Last year we kept an Exclusive son to use on our own herd, our first calves will be coming this fall. This bull is no exception, he could be as good or better than the Exclusive son we kept. Full of excellent cow power, his Dam is by far our best uddered cow on the ranch.

COMMERCIAL HEIFERS

Unique opportunity to purchase yearling open Commercial Heifers. This is the first time we are offering these females in our annual sale. We are selling a total of forty heifers, selling in eight groups of five head in each Lot. All the heifers are fully vaccinated and brucellosis vaccinated. These eight lots are out of our Hereford and Angus genetics which have proven performance with carcass and maternal traits. These heifers are very uniform and ready to bring cow power to your operation. If you need more pounds, better milking, more maternal, better uddered cows with a quite disposition check out this set of heifers.
